Decorative Street Signs at Treviso Bay

[Treviso Bay](#) is a luxury residential community located in the heart of Naples, Florida, a town known for its sun-drenched beaches, world class shopping and dining, and abundant golf courses.

The community surrounds the championship golf course and private golf club, TPC Treviso Bay. The club opened back in 2008 and was home to The Ace Group Classic, an annual tournament on the PGA Champions Tour, in 2009.

Although the golf course has been open for nearly five years, the construction of the community is still underway.

Lennar Homes purchased the 93-acre property in January 2012 and plans to complete the master planned development of 1,350 homes.

The residents of Treviso Bay enjoy resort-style amenities including a health spa and fitness center, 40,000 sq. ft. golf clubhouse, lagoon and lap pools, tennis courts, and a year-round social calendar.

Creative Mailbox & Sign Designs had the opportunity to consult, design, manufacture and install a decorative street sign package for the community. These street signs have an additional aluminum paddle attached to the post with the Treviso Bay logo making them extremely custom.

Boca Greens

[Boca Greens](#) is single-family home community surrounding the beautifully landscaped golf course at Boca Greens Country Club in Boca Raton, Florida.

Late last year, Castle Group agreed it was time to spruce up the community's curb appeal and consulted with Creative Mailbox & Sign Designs for a custom mailbox package.

Creative provided a total of 586 decorative, aluminum mailboxes for the community. Each mailbox has reflective gold vinyl letters and a gold flag.

Creative Gives Back to the Community at Habitat for Humanity

Employees volunteer to help build homes for deserving families in Pinellas County

25 Creative employees teamed up with Habitat for Humanity for another year to build two homes for deserving families in Pinellas county. Employees showed up ready to work on their days off at job sites

ready to work on their days off at job sites in Clearwater and Largo.

In the past, Creative employees have participated in the annual Blitz Build, but for some employees, this was a new experience.

The Clearwater crew spent the day setting and fastening trusses. "I was surprised by how quickly our team was able to work together to develop a system to raise and secure each truss!" said Moira Allen, Marketing Coordinator for Creative Mailbox & Sign Designs.

A Habitat for Humanity home candidate invested some of her 400 "sweat-equity hours" in Clearwater that day. "It was really special to see a candidate take such pride in building another candidate's home", said Chris Custer, Director of Installation for Creative Mailbox & Sign Designs.

While the Clearwater crew worked on a home in its initial stages, the Largo crew helped complete the finishing touches on another home including the construction of a back landing.

Habitat for Humanity has been providing practical and reasonable priced housing opportunities for families in Pinellas County and overseas since 1976. The Pinellas chapter has built over 264 homes for more than 677 children and funded 233 homes overseas.

To date, Habitat for Humanity volunteers have constructed 1,067 homes. Habitat's goal for 2014 is to construct 300 new homes.
